Reseda, California	
Dear	
T have been suite a house	
	an since my return to Washington. stations on both the East Coast and
	eration at the moment. I anticipate
	will know the final answer on both
locations.	
	on Cyprus, one on the East Coast,
	on operating at Reseda, I am sure
that I do not have to explain t	
radio engineers of your caliber	. I feel, first of all, that it is neer remain in Washington to coordinate
technical work of these three s	tations which will be going on simil-
teneously. This, of course, wi	
	have to shoulder the responsibility
for the construction of the new	
	am forced to ask either you or
	in charge of this construction.
saw you last at Reseda. In my	d this with you previously when I
	opinion, and that of
	to Kauai, is supposed to be an
	is my feeling that the FBIS operation
	perience which you have had in the
	ion cannot be replaced by any other
experience that I know of.	
	lan to have you go out as the engineer
in charge of this station and st	tay until it was constructed or at

may have to suffer temperarily for the benefit of the whole organisation.

I will let you know something definite as soon as I know.

I am sure that it is unnecessary to call to your attention the classification of this letter.

Sincerely,

L. K. WHITE Chief, FBIB
